

Final Thoughts Paper

Due on Wednesday, August 14th, 10:30am PDT

Provide your thoughts which address any of the following:

- What topics from MS&E 260 have you found particularly interesting and why?
- How do you plan to utilize what you have learned from MS&E 260 in your career?
- How may your experience in MS&E 260 influence your future academic studies?
- Are there any other final thoughts regarding MS&E 260 you would like to communicate to the teaching staff?

Please limit your responses to one page.
